

# HERALD CAMERA-MEN TELL THEIR STORY

## ARMORED MOTORCYCLES FOR COPS

Newest in police armament is a "motorcycle tank" equipped with machine gun bullet-proof shield and a motor intended to carry it faster than any automobile can go. Chicago police are using one shown above.

## FIRE TAKES NEW \$200,000 BUILDING

A fire destroyed nearly completed packing plant in Wash., with loss of \$200,000. Mystery surrounds it.

## KEMAL PASHA, ESCAPING DEATH, GETS OVATION

Crowd in Smyrna cheering Kemal Pasha, president of Turkey, after an attempt on his life on his arrival for a tour. Sixty men allegedly connected with the plot are under charges of murder, with indications that most of them will be executed.

## 800 SAVED IN SHIP WRECK

No lives were lost when excursion steamer "Cambria" went on rocks at Ilfracombe, England. No panic was evidenced by passengers and men waited patiently until all women had been landed before taking to lifeboats. Photo shows ship being dashed to pieces.

## Skeptic

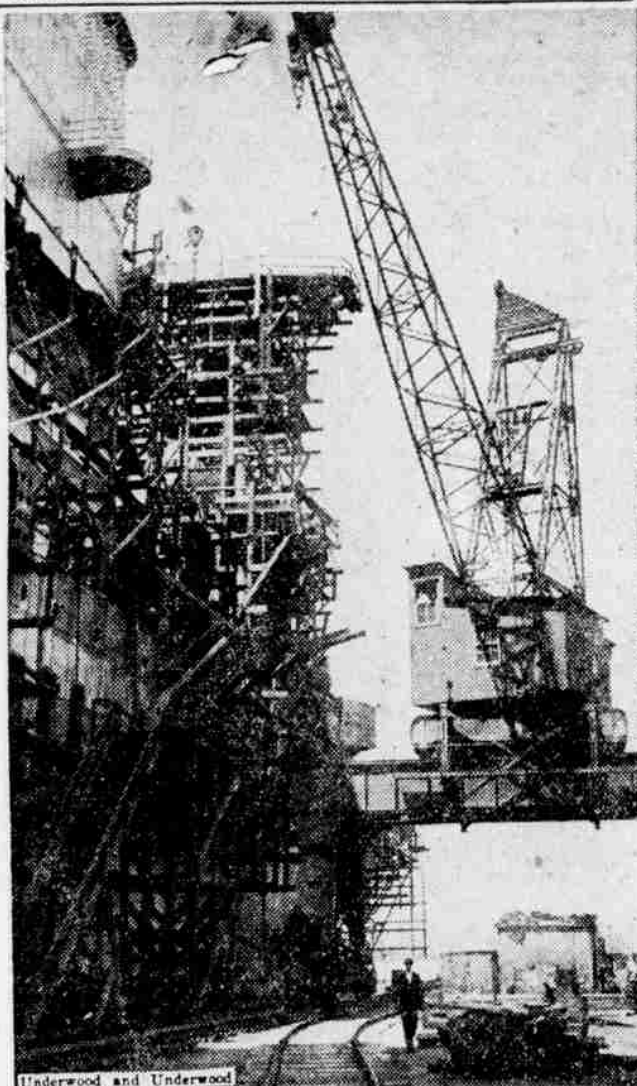

Manuel Quezon (above), president of Philippine senate and independence movement leader, is attempting to show that purpose of Carmi Thompson's visit to Manila as president's representative is to pave way for exploitation of Philippine lands by U. S. rubber-growers.

## He Lit the Fuse

Daniel P. Trude, defeated in campaign for re-election as municipal judge, fomented the probe of the primary which is shaking-up Chicago politics and caused 44 officials to be indicted.

## SARATOGA NEARING COMPLETION

U. S. S. Saratoga, world's largest airplane carrier, soon will be ready for service. Photo, taken at Camden, N. J., indicates present stage of construction. It shows forward gun turret and control bridge.

## PLUMBS SECRET OF "RUNIC ROCK"

Dr. Frank H. Knowlton, Washington, D. C., international known paleontologist, is preparing a report to government authorities on the "runic rock" at Spokane, Wash., which is claimed tells of a battle between Norsemen and Red-Indians 1,000 years ago.

## ROTARY'S WORLD PEACE SYMBOL

Rotary clubs of country may follow lead of Los Angeles members of the organization and adopt this as world peace symbol, though some criticism is being heard because U. S. flag is uppermost, instead of being on a level with those of other principal nations. Miss Edythe Sackett is holding the symbol.

## TROOPS READY TO QUELL PARIS DISORDERS

Hundred thousand seasoned troops, fresh from the campaign in Morocco which broke Riff war for liberty, now are in Paris, ready to quell any disturbances which might arise out of present critical financial situation. Photo shows the troops parading through Arc de Triomphe on their return from Africa.

## Missing Figure in McPherson Case

Nation-wide search is being made for Kenneth Ormiston, radio operator in Aimee McPherson's Angelus Temple in Los Angeles, who disappeared at same time as preacher. Police want to question him about kidnapping story told by Mrs. McPherson when she returned.

## Reel Star Bride

Filmland is showering best wishes on Louise Brooks (above), screen beauty, and her director, Edward Sutherland, who slipped away and staged on a real wedding after putting on a reel one. Sutherland is nephew of Thomas Meighan.

## France's Latest

Paris is wondering how long new cabinet of Raymond Poincare, former premier and president, will last, with France facing greatest crisis since Napoleon III.

## Assails Mellon

Winston Churchill (above), British chancellor of exchequer, is challenging statement of A. W. Mellon, U. S. secretary of treasury, that Britain's borrowings from Washington were for purely commercial as distinguished from war purposes.

## BEARS FOUR BABES IN 22 MONTHS

Twice in 22 months the stork has left twins at home of Mr. and Mrs. Walter Lund, in Milwaukee, Wis. All are doing well. Mrs. Lund and her brood are shown.

## LOOKING INSIDE DEMOCRACY'S MACHINE
